

0014 CLAIMS

1. We claim our invention to be the outdoor/indoor recreational game entitled “Corn Bag Toss Game.”
2. We claim this invention as the entire methodology of the game; including the playing court layout and dimensions, the rules of the game/methods of scoring, and the dimensions and weights of the game boards and game bags; all described and dimensioned in detail within this application.
3. We claim that this invention revolves around the five rules/methods of scoring listed and described in this application as “Cincinnati Style,” “West Side Style,” “East Side Style,” “Old School Style,” and “Beach Style”.
4. We claim this patent to protect the integrity of the “Corn Bag Toss Game” and to not allow any variations or approximations to the methods of play, scoring or game board/bag dimensions to be built and/or distributed by anyone other than ourselves.
